

Evergreen Classical Community Program Costs

- ***The programs are based on age and not grade.***
- ***Child(ren) must be 9 by September 15th to enroll in the Fundamentals program.***
- ***Payments may be made online through our website or by check payable to Evergreen Classical Community.***

**If there is a concern about program enrollment and age requirements, the director, tutor and parent will come together to make the best decision for the child(ren).*

**Pricing is based on Evergreen Classical Community's rates. When paying through our website there is a 3% processing fee automatically included.*

FUNDAMENTALS PROGRAM (9-12 yrs old)

2025–2026 Evergreen Classical Community Program Tuition and Fees

Evergreen Classical Community Fundamentals Program

Enrollment age for Fundamentals is **nine (9) years old by September 15, 2025**. Children do not need to be enrolled in the Grammar program to participate. Children **ages nine (9) years and older by June 1, 2025 must be enrolled in the Fundamentals program in order to remain in the classroom with their parent**. Children younger than nine (9) years of age must either be supervised by a separate guardian in the nursery or remain in the classroom with the parent as long as the parent can still participate in class activities and the child is not a disruption.

Registration Fee (Enrollment Fee, Facility Fee and Supply Fee) must be paid at the time of enrollment. Payments may be made online through our website or by check payable to **Evergreen Classical Community**.

Fundamentals Program Costs

Please note that all pricing is quoted in U.S. Dollars and based on one child's enrollment.

Fee	Note	Cost
